

Discover the World of Amateur Radio

with

Bracknell Amateur Radio Club

Bracknell Amateur Radio Club is a friendly and welcoming club that is open to anyone interested in amateur radio. We have a wealth of experience and knowledge to share, and we are always happy to help new members get started.

What is Amateur Radio?

Amateur radio is a non-commercial radio service that allows individuals to communicate with each other around the world. It is a great way to learn about electronics, radio and communications.

If you enjoy learning new things and meeting new people, then amateur radio might be the perfect hobby for you.

What We Offer

- We hold regular meetings where we discuss amateur radio topics, share our experiences, and build projects.
- We offer support to help you get your amateur radio license.
- We run weekly on-air meetings (Nets)
- Field Days, Events and Visits where you can use your new skills.
- Forums for amateur radio enthusiasts to connect with each other.

To join Bracknell Amateur Radio Club, simply visit our website or come to one of our meetings. We will be happy to answer any questions you have and help you get started.

Meetings and Events

Our Monthly Meetings and Weekly Nets are an ideal opportunity to use and discuss Amateur Radio and keep in touch and up-to-date with other members. We also visit Radio and related events as a group and help organize local Radio activities.

The Benefits of joining our Club

- Learn about electronics, radio technology, communication protocols and microprocessor integration.
- Make new friends and connect with other amateur radio enthusiasts.
- Have fun experimenting with different types of radio communication.
- Contribute to a worldwide network of amateur radio operators.
